

## EGG Hatchings

---

### Upcoming Events:

Our annual Halloween/Hatching Party will be held November 1<sup>st</sup>-2<sup>nd</sup> at the Burdette Park Clubhouse. The hours will be 10am-10pm Saturday, and 10am-8pm Sunday. Please see the EGG website Halloween/Hatching Party page for details on scheduling. There will be no club meeting at CQ on the evening of the 1<sup>st</sup>, since we all plan to be at Burdette Park.

There will be a costume contest, as always, with prizes for the best costumes. The Good EGG Award will also be given out, in recognition of the person who has provided outstanding service to EGG during the past year. We are also hoping to get some super-soaker games going, weather permitting. There will also be gaming, of course. Planned events include Living Arcanis, and Stargate SG-1. We are still looking for GMs to schedule games for the event. If you would like to ref an RPG, minis game, CCG, or Board game, please choose a slot and let Jarrod Moschner or Kimberly Wajer-Scott know ASAP.

Food will be sold on site as a fundraiser for EGG. We are still looking for volunteers to help with food service. Remember, helping with the cookout counts as participating in a fundraiser if you want to run for the Board next year! If you are willing to run the grill, please choose a slot you will do so, and let Kimberly Wajer-Scott know ASAP. We also need volunteers to help with setup and cleanup. If no grill volunteers step forward, GMs Kim and Phil will be standing over the charcoal, meaning their games will be cancelled.

### Good EGG Award:

Honor the person you think serves EGG the best! Please give your nominations for the Good EGG Award to Kimberly Wajer-Scott as soon as possible. We need to discover who it is that you feel has done the most for EGG in the past calendar year. Please include not only a name, but also a reason for nomination with your submissions.

### Web Features:

The Evansville Gaming Guild has online forums so you can communicate with fellow gamers both in the club and beyond. In the "General Issue(s)" category, you can find forums to ask Board members questions, make website suggestions, find details or make suggestions on upcoming events, and even a "Classified EGG" forum to arrange sales or trades of gaming materials. In our "Table Talk" category you can find forums for various RPG systems, including Buffy, Arcanis, and Stargate. Our "Small Matters" category you will find forums for miniature wargames or all sorts, like StarFleet Battles, and Warhammer. In the "On Deck" category we have discussion forums for various CCG systems, like Magic, Pokemon, and Yu-Gi-Oh. We even have a "On Board" category to discuss your favorite Board games.

In order to use our forums, all you have to do is register a screen name, and start posting! All we ask is that since we have members online under the age of 18, that you moderate your language. We want our forums to be friendly for gamers of ALL ages.

Kimberly will be using the forums to schedule all Living Arcanis play from this time onward, so if you want to play LA at Guild, or outside of it, make sure to get on the forum to schedule your games. Kim will only be bringing LA to Guild if a game is pre-scheduled, from now on.

**See you next month, good gaming!**
