

## March—ing On

---

### **EGG Easter Party:**

The annual EGG Easter party will be held on Sunday April 3<sup>rd</sup> (the Sunday AFTER Easter)! We will convene at the Burdette Park Clubhouse, from roughly 10am to 10pm. EGG will not be selling food for the event, although there will be an open grill. So bring your own meat, and something to share.

We will be having our annual Easter EGG hunt, sometime in the afternoon, so come prepared to take a walk in the woods! As usual, the eggs will contain dice, chocolate, and other prizes! There are no scheduled game events for this party at present, so get your favorite gaming bunch together for an extra session of your favorite game, whatever that may be!

### **Knights (and Days) to Remember!:**

Don't forget that EGG RPG play isn't all that goes on at Comic Quest! CG also sponsors "Friday night Magic" tournaments, and Yu-Gi-Oh on Saturday mornings. L5R CCG and the E'ville Requiem groups play on Saturday nights, and of course, our sister-club the E'ville Knights meets on Sundays to play Warhammer!

### **Pay Where You Play, and Discount Discussion:**

Just a few friendly reminders to EGG members... The EGG discount of 10% on purchases at CQ no longer applies to food items, comic books, or Warhammer miniatures. It is RPG-related products only. Also, please remember to support our hosts at Comic Quest! They let us game here, so thank them by getting your RPG materials from them! Ordering books online hurts CQ! You CAN special order books not on the shelf; just be sure that the person behind the counter gets your name and contact information written down! They don't know who to hold the books for otherwise, because they can't remember *everyone's* faces and names! If in doubt, double check!

### **Arcanis Con-Carne:**

Plans are being made for another all-night Arcanis game-a-thon over Memorial Day weekend. We haven't confirmed them yet, we just wanted to let folks know it is on the docket. Many have asked if we will be having another of these events, and the answer is, if Comic Quest is willing to host, we are all for it! More information will be given as plans come together. As usual, once the place and time are confirmed, it will be an open-library event, with signups on the EGG website.
